Preview Design and Production Services

If you do not have design services available to you, Preview will design your ad for you. Complete copy and design services are available at a minimum charge of \$45.

MATERIALS REQUIRED:

For colour reproductions, 4" x 5" colour transparencies or 2¹/₄"-square transparencies are the most suitable, but in-focus accurate colour prints can also be used. Black and white photographs should be glossy and either 5" x 7" or 8" x 10" in size. .

Colour transparencies or prints must include a colour bar and grey scale to facilitate accurate colour reproduction.

Polaroid prints or colour photocopies are not acceptable. If scanning of logos or artwork is required, the following charges will apply:

Halftone (black+white) digital scans:

\$30 each, 4" x 5" or smaller final size.

\$45 each, larger than 4" x 5" final size

Colour digital scans:

\$65 each, 4" x 5" or smaller final size.

\$85 each, larger than 4" x 5" final size.

Logos and graphics must be 300-dpi digital computer files in Illustrator (EPS) format or Photoshop (TIF) format, or if you don't have digital files of your logo or other graphics, a clear, crisp copy on paper for scanning. A minimum charge of \$45 will apply to each logo or graphic element scanned by Preview. Advertising copy must be typewritten or clearly printed.
